## Additional Championship Meet Information

- **8/U Championship:** All 8/U's are strongly encouraged to attend 8/U Championships Sunday, February 18. Families with more than one swimmer are expected to volunteer at least three sessions, preferably four or five. Signups for volunteers will be posted after Thursday's membership meeting. Swimmers age 7 and younger are not eligible to compete at this meet. Relay participants will be selected from among the swimmers competing each day. Selection will be based on best times. There are qualifying times for longer events only; all swimmers may swim the shortest distance of each stroke.
- **Age Group Championship:** All swimmers qualified for individual events and/or CAMEL's "A" relays are expected to participate in this meet unless they have indicated "no" on their meet commitment form **AND** schedule a conference with Coach Ann. There are qualifying times for all individual events. Relays are comprised of swimmers with the top four CAMEL times. To give swimmers a clearer picture of how close they are to qualifying for individual events and/or for "A" relays, swimmer's times are available on CAMEL's data query, "[TMO](#)", and on CTSWIM's data query, "[FAST](#)", both of which can be accessed under "Links" in the middle of the right hand column on the home page of this website. Also, [preliminary relays](#) are posted each Tuesday on the "[Meets](#)" page. Final Age Group "A" Relays will be posted February 17. The first relay for 13/O's is on Thursday evening and the others are on Friday, Saturday and Sunday morning. There are no 12/U relays on Thursday evening; 12/U relays are on Friday, Saturday and Sunday afternoon.
