## IMPORTANT PARKING INFORMATION

### CT REGIONAL CHAMPIONSHIP AT CONNECTICUT COLLEGE

As noted in the meet announcement, there is no parking, drop-off or pick-up within the athletic complex. Unless the driver has an official Connecticut College Event Parking Pass or an official DMV Handicap Placard, cars arriving at the college should proceed immediately to the main campus to park. All cars entering the athletic complex will be stopped by security and, unless the driver holds a college pass or a handicap placard, will be directed back to the appropriate parking area on the main campus. There are five shuttles (most likely school busses) that will operate continually running back and forth from the South lot (by the Williams school) and the athletic complex. I have attached a campus map in this mailing.

Because it is up to an 18 minute walk, CAMEL is providing free shuttles 3:45PM – 8:15PM on Friday and 6:15AM to 6:15PM on both Saturday and Sunday.

To ensure enough parking for all, car pooling is strongly encouraged! PLEASE remind your swimmers to leave 20 extra minutes for the shuttle (or the walk).

Each participating team's Head Coach will receive a temporary College Event Parking Pass mailed to the address on the Team Contact list sent via e-mail and posted at [www.camelswim.org](http://www.camelswim.org). CAMEL has worked with Connecticut College to be able to use this state of the art facility for Regional Championships. The college has agreed to do so with the understanding that, as stated in the meet announcement, "**Per college policy, violators will be required to leave the meet immediately**".
