**Subject:** June Jubilee

Hi teams,

Thank you for entering our June Jubilee. Detailed meet information is updated daily at [www.camelswim.org](http://www.camelswim.org). It is accessible by clicking on the June Jubilee icon.

Though we still have a small amount of room in the junior sessions, our senior sessions are now officially closed and, as allowed for in our meet announcement, we are heat limiting the 400's in the senior sessions to try to accommodate the senior entries from the last few teams. The cut-off is three heats which currently requires a 5:09.67 for the Women's 400 Free, 5:00.00 for the Men's 400 Free, 6:22.62 for the Women's 400 IM and 5:48.96 for the Men's 400IM. My best guess at this time (and bear in mind it is only a guess) is that we will probably still have to make cuts by date of receipt for Saturday and possibly for Sunday, too.

Please submit replacement events for swimmers whose time falls below the limits listed above. Also, if you have any seniors scratching, entry times for NT's or 12/U's willing to move to the junior sessions, please let me know ASAP so we don't have to leave the last few teams' seniors in limbo. (While entry swaps are possible, please do not exceed your current # of athletes & events or we will not be able to accept it). Here is where we are – I have noted my unofficial guesstimate for the senior sessions for your convenience. The timelines are posted on our site and I have attached psych sheets for the 400's so those of you with more expertise at this can guess better. Final cuts, if any, will be e-mailed to you and posted on our site as soon as we receive a response and/or updated entry from all teams (hopefully by Tuesday 4/29):
